

STARLET AD

There is only one show program all year in which you have the opportunity to submit a shout-out to your favorite actor, and that is the glossy 8.5 x 11 C.A.T.E. Awards show program. Most actors keep their C.A.T.E. show programs as a souvenir, it would be even more of a keepsake with a note printed in it from you! Starlet ads are also a GREAT way for family who can't attend the event to show support for your child.
