

We are so excited to be doing Beetlejuice Jr for our Camelot Fall musical. I know many of our actors have been very excited for this musical since last year! There are a lot of fun and interesting characters in this show, both featured and leads as well as a full ensemble with lots of roles to play. Please read over the sides and really make character choices for your reading auditions.

This is a musical with the traditional modern style Broadway sound, audition songs should be appropriate for the show and the character you are auditioning for. I suggest listening to the soundtrack to get a sense of the music.

SINGING AUDITIONS: We will have 2 dates to do singing auditions by appointment, Wed, 9/24 and Sat, 9/27. We will send out a sign up genius link to all registered the week before auditions to sign up. Please prepare 16-32 bars of music (approximately 1 minute). Also please have a backing track for your song (no vocals). If you need assistance finding a track in the correct key, please feel free to email me, michele@creativekidsplayhouse.com.

DANCE: We will be holding dance auditions on Wednesday, 10/1 from 6:30-8:00 pm

READING: Reading auditions are Thursday, 10/2 from 6:00-8:30 pm. Please prepare your sides!

This is what I mean when I ask you to prepare your side:

It does not need to be memorized; you should hold the script in hand. But you should know it extremely well.

Know what the scene is about. Know the relationships within the scene and what you the character wants from the other character(s)

Make choices- make character choices or other subtextual choices to play in the scene.

Even though you are really preparing one side, you could be asked to read multiple times with different sides as well. So be familiar with all of them

CALLBACKS: Saturday, 10/4. TBD

Once again, I am really looking forward to starting this amazing journey and cannot wait to see you in September!

Ms. Sheehy
